

LEADERSHIP GIVERS

United Way's Leadership donors are a driving force for positive lasting change in the Capital Region. Our Leadership donors are made up of individuals and families who are passionate about changing lives, committed to creating action, and dedicated to bringing together the expertise and resources that get results. They take on the biggest challenges of our region and recognize that it takes a commitment of resources to provide our neighbors the help they need to improve their overall well-being.

Thank you for your generous support and commitment to our community.
