**Gifts to United Way agencies are treated as the "first dollars" towards an agency's annual grant allocation. United Way supplements these dollars with funds given directly to United Way to complete the agency's total annual allocation. In the event that these designated gifts exceed the agency's annual United Way allocation, the agency will receive the larger amount. Designated gifts to agencies outside our funding system are sent quarterly from actual funds received.**

**A contribution can also be made to another local United Way or specific 501(c)3 (nonprofit) health and human service organization. Recipient organizations outside of those listed above are not subject to United Way of the Greater Capital Region's accountability review. If your designated agency is unable to accept your donation, we will contact you using the information provided on the reverse side of this form. If we are unable to contact you within 15 days, we will direct your gift to United Way's Community Care Fund. United Way has some of the lowest administrative costs compared with similar charities. If you designate your gift, a nominal cost recovery fee will apply.**
